OFFICIAL RULES OF BROKEN ARROW YOUTH BASEBALL RECREATIONAL LEAGUE

Managers and Coaches Requirements and Information

Managers and coaches who do not attempt to carry out the rules, policies, and intentions of this organization are subject to forfeiture of games, suspension, termination, fines, and/or probation as determined by the BAYB Board.

NOTE: *Any member of the Board, Facility Manager, person, or persons who the Board of Directors may appoint or designate, shall have the authority to delay, cancel, or suspend scheduled games or games in process as they deem necessary.*

(1) The Board shall publish online for each manager of each team to download copies of the BAYB rules. A copy of the BAYB By-Laws will be available in the league office.

(2) Any player, manager, or coach ejected from a game shall be ineligible for the next scheduled game (including make-up) subject to Board of Directors review.

(A) Any manager, coach or adult spectator ejected from a game, must leave the playing field, and go to the asphalt parking lot within three (3) minutes and not reenter for the remainder of that day. Any player ejected shall remain in his/her team's dugout for the remainder of that game and shall refrain from making personal remarks toward the umpires or other team.

(B) Persons ejected during games which are rained out and are not "official" shall sit out the next scheduled league game and the make-up game when applicable.

(C) Umpires are required to file a written report on the same day as the occurrence of an ejection of a player, manager, coach, or spectator with a BAYB Board Member. BAYB will notify other interleague parks of any suspensions. If no written report is received the suspension for the next game rule shall not apply.

(D) Appeals of ejections must be in writing and filed by noon of the following day of the occurrence with any BAYB Board Member or submitted to the BAYB Office. E-mails are acceptable.

(E) Any coach, manager, player, or spectator ejected two or more times during a season may be placed on suspension for the remainder of that season from our park.

(F) Escalation Prevention Rule: Upon the 2nd ejection of any person (player, fan, coach) from 1 team for any reason in the same game, the umpire will declare a forfeit against the offending team. This also will result in Forfeiture of any remaining games to be played that day.

(G) Behavior outside of games that during games would result in ejections shall result in suspension from games as specified for ejections during games. A second ejection will invoke the Escalation Prevention Rule in (G) above and result in Forfeiture on the team's next game. Should a parent, grandparent, or coach be ejected outside of game play their immediate player (son, granddaughter) will not be allowed to participate in the team's next game (they may sit in the dugout).

(H) Any persons involved in physical assault (Fighting, punching, etc.) shall be suspended until reinstated by the BAYB board.

(I) Managers are responsible for the actions of players and coaches. Umpires may eject a manager for the actions of a player or coach if they feel the manager fails to gain control of their player or coach. If this occurs, the manager is eligible to participate in the next game pending report and recommendation by umpires. This will not be considered a second ejection unless the manager is ejected for a second offense/action.

(J) Managers are responsible for the actions of fans, should a fan be ejected the team manager is ejected as well. If this occurs, the manager is eligible to participate in the next game pending report and recommendation by umpires. This will not be considered a second ejection unless the manager is ejected for a second offense/action.

(K) Managers are responsible for the music content between innings and walk-up songs. Music shall not refer to alcoholic beverages, tobacco products, illegal drugs, or contain obscene or profane language. The playing of music will be limited to prior to the start of the game, in between innings, and as batters walk up to the plate only. The volume should be kept at a level that does not disturb other fields. **League officials and umpires will have the right to ask teams to lower the volume level/turn off the music if it is disturbing other fields.**

(3) Managers, team officials, and spectators must not razz, abuse, or embarrass players of his or the other team. Players are not to razz players or cast slurring or personal remarks at the opposing team. The practice of yelling “cut”, “strike”, or “swing batter”, or any other words that are designed to cause a batter to swing at a pitch, against his will, or the heckling of the opposing pitcher, in any manner, will not be allowed. The coach should strive to coach in such a way as not to distract the opposing pitcher in any manner. This is considered un-sportsman like conduct, against the rules, and is prohibited. Managers who do not attempt to secure order may be reported by umpires or other persons to league officials for further action.

(4) Manager or other team officials will absolutely refrain from comments or actions that disparage the decisions of any UMPIRE before, during, or after the game.

(5) Managers, team officials, spectators, or umpires will absolutely refrain from making remarks about or threats of physical harm to any manager, team official, spectator, players, or umpire.

PENALTY: Violators will be ejected from the game, game will be forfeited, and the violator will be suspended from managing, coaching, scorekeeping, speculating, or umpiring the remainder of the baseball season and will be subject to review by the Board of Directors. In severe cases, the Board may issue fines, probation, or suspensions for a period to exceed one (1) year. The maximum fine is set at \$500.

(6) The use of foul or profane language is prohibited by managers, coaches, players, spectators, umpires, and Board Members.

(7) Tobacco

The use of tobacco in any form in seating areas, dugouts, and playing fields is prohibited.

(8) Gun Policy

BAYB will comply with all laws governing the possession and/or use of firearms applicable to the premises and shall require compliance from invitees, guests, membership, and users. This include 21 1277 (A)(1) that makes it unlawful for any person, including a person in possession of a valid handgun license issued pursuant to the provisions of the Oklahoma Self-Defense Act, to carry any concealed or unconcealed firearm into any structure, building, or office space which is owned or leased by a city, town, county, state or federal governmental authority for the purpose of conducting business with the public. Nothing contained herein shall prevent an individual from transporting or storing a firearm in a locked motor vehicle while parked in a BAYB parking lot or any property set aside for any motor vehicle. BAYB will comply with all laws governing the possession and/or use of firearms applicable to the premises and shall require compliance of same from guests, membership, and users.

(9) No Pets Allowed

Pets of any size or breed are NOT allowed at the Indian Springs Baseball Complex. This is a City Ordinance that BAYB strongly upholds. If you are found at the ballpark with a pet, you will be asked to leave the playing area. This is for the safety of the players, fans, and your pet. Please do not bring pets to the ballpark.

- **Service Animals are allowed.** Service animals are defined as dogs that are individually trained to do work or perform tasks for people with disabilities. Examples of such work or tasks include guiding people who are blind, alerting people who are deaf, pulling a wheelchair, alerting, and protecting a person who is having a seizure, reminding a person with mental illness to take prescribed medications, calming a person with Post Traumatic Stress Disorder (PTSD) during an anxiety attack, or performing other duties. **Service animals are working animals, not pets.** The work or task a dog has been trained to provide must be directly related to the person's disability. **Dogs whose sole function is to provide comfort or emotional support do not qualify as service animals under the ADA.**

(10) Managers are required to have one (1) person, either coach or player, in each coach's box while his team is at bat. Players must wear a regulation, safety approved batting helmet while in the coach's box.

(11) A manager or coach of a defensive team must not delay the game to confer with a player or players on the field more than one (1) time during one (1) inning.

PENALTY: *Should he/she delay the game a second time by conferring with a second player or players during one (1) inning, the player or players shall be removed from the game unless when such player is the pitcher, then he is removed from the mound. Violations of this rule must be determined before the next ensuing pitch. If a player is removed because of a violation of this rule, for re-substitution, refer to Player Re-substitution Rule. Insistence on the part of either manager to delay the game or have conferences in any manner is considered grounds for the umpire to declare a forfeit.*

(12) After the manager or coach has had one (1) conference with a player or players, and they enter the playing field for the purpose of removing a player or players from his position, or attending to an injured player, or for the purpose of making a substitution, it will in no way mean that the manager or coach has had a second conference with his/her players.

(13) Managers are required to submit a line-up and roster to the opposing manager before play is started. Substitutions must be reported to the plate umpire and opposing scorekeeper before being made.

(14) Scorekeeping

Managers must have records of each game in a permanent bound official scorebook or mobile scorekeeping application. This requirement is necessitated by the fact that he may be called upon to prove the eligibility of a re-substituted player or the eligibility of a starting or relieving pitcher. Failure to maintain such records may result in a team forfeiting games that they have won.

(15) Managers shall meet at the pre-game conference with the umpires. Additionally, upon request, any ineligible player and/or players who did not fulfill the Player Participation rule, during the last game, shall be named. At the discretion of BAYB, umpires may request that coaches present their coaching at this pre-game meeting.

NOTE: Calendar week shall be defined as Monday through the following Sunday.

(16) No recreational player shall be enticed, recruited, or otherwise approached in reference to playing for another team other than their assigned team after the draft and until Jun 30th of the current baseball season, without written permission from the player's respective manager. The intent of this rule is to eliminate recruiting during the season and further is to be honored by ALL Broken Arrow teams, coaches, manager, players, parents, and representatives, regardless of the team's participation within the Recreational and/or Open leagues.

NOTE: Upon protest and review by BAYB, the Manager is subject to forfeiture, suspension and/or probation. This rule is intended to include all tournaments but not summer/fall leagues.

(17) Recreational Managers and coaches are required to obtain the BAYB Approved Certification for each season. Any manager and/or coach not certified/sanctioned by an organization approved by BAYB will be suspended until they are, (meaning they cannot help coach). BAYB may impose additional certification/sanctioning at any time.

(18) Managers shall allow no more than 4 certified coaches (including her/himself) on the field unless otherwise specified by rule. All coaches shall remain within arm's length of the dugout entrance unless otherwise permitted by the rules of the game (coaches' boxes, trips to mound, conference called by umpire, etc.).

(19) Managers shall attend the preseason coaches meeting or designate a team representative to attend. Failure to attend may result in fines, forfeiture of games, or suspension as determined by BAYB. The initial minimum fine is set at \$200.

(20) Managers are to notify their BAYB and age coordinator at least 72hrs in advance of scheduled game times should their team not be able to play. Teams that do not meet this rule are subject to a \$75 per game fine to cover costs of umpires, field preparation, and rescheduling. The fine must be paid within 48 hours or additional penalties will be imposed.

(21) All Managers must have a valid signed contract in place with BAYB on or before Feb 28th of the current year to be guaranteed a team for that year. All managers' and coaches' contracts expire per the date stated on the contract.

(22) Managers are responsible for their team parents and players adherence to the rules of BAYB. This includes the player eligibility rules and age limitations.

(23) Managers or coaches representing the team must have their badge on file & be able to present it to the umpire at the pregame plate meeting. The official list of certified coaches for the season is on file at the BAYB office.

Umpires will address the coach that attends the meeting as the team manager. If no signed manager or coach is present with their certification card, the umpire shall declare a forfeit and rule 20 above will apply. The 15-minute grace period rule is in effect (i.e. Manager has 15 min after scheduled start time to produce proof of certification)

(24) BAYB Fields are for game play only. Managers shall inform players and parents that pick-up games and practices are not allowed on fields. Coaches must find their own practice location or sign-up for a BAPS site through the BAYB Operations Manager, not Broken Arrow Public Schools.

(25) BAYB Managers are to fully support and carry out the rules, policies, and intentions of this organization, or may be subject to forfeiture of games, suspension, termination, fines, and/or probation as determined by the BAYB Board.

(26) Managers are responsible for checking their team's schedule daily. Weather and other reasons occasionally require that the Board reschedule games. **If a game is rescheduled and published 96 hours or more prior to its play date/time, managers will not receive additional notice.** If within 96 hours of rescheduled time managers will be contacted by e-mail or phone. **Rescheduled games are not negotiable. Teams are expected to play when scheduled/rescheduled.**

Rules for All Leagues

(1) Games

(A) Regular season games are not to be scheduled on Sunday. Rainouts, make-up games and /or any Tournament games may be scheduled on these days.

(B) Refer to the Major League rule 4.10, with the following exceptions: Games must start no later than fifteen (15) minutes after Official start time. Official game time shall be recorded immediately after the first pitch by the umpire's watch or his/her designated timekeeper except for the first game scheduled for the day. The first game scheduled for a field official start time is as scheduled provided umpires are present. See rule 4 below. Note: The 15-minute grace period is to ensure teams have enough players to start a game. Provided enough players are present and at least 1 signed and certified coach is present then the game is to start on time or be subject to forfeit.

(C) Home Team is decided by the schedule for all league games.

(2) Scorekeepers

The home team scorekeeper is the official scorer. Both scorekeepers are responsible for coordination and cooperation so that all scores, substitutions, outs, and pitcher's outs, etc., are recorded properly. Lineups SHALL be submitted with last and first names or first initial, and numbers.

(3) League Championships

A Play-off game shall be scheduled should there be a tie for any league championship after all tie breakers have been applied. Tie Breakers (in this order): Head-to-Head, Runs Allowed in Divisional Games, Runs Allowed in Non-Divisional Games, Runs Scored in Divisional Games. These tie breakers may be amended by the age group coordinator or BAYB provided they do so in writing before the season begins.

(4) Regulation Games (Game time begins on the 1st pitch unless otherwise specified)

- 1 ½ hours/drop dead for kid pitch

NOTE: A new inning shall officially start immediately after the third out of an inning is made for the home team. Official game time begins on the first pitch regardless of scheduled game time, except for the first game scheduled for the day. The first game scheduled for a field official start time is as scheduled provided umpires are present. A fifteen (15) minute grace period time begins at scheduled game time or as amended by a board member or tournament director.

Note: in the case of makeup games or games threatened by inclement weather BAYB may alter game times to facilitate playing of all games; specifically, coach pitch may be reduced to 1 hour and all kid pitch may be reduced to 1 hour and 30 minutes.

(5) Early Game Termination

No game shall end before all innings have been played unless:

(A) The game shall be considered an official and/or legally completed game if the time limit expires in the bottom half of the inning with the home team leading, regardless of number of innings played. A game is also legally complete when the losing team cannot tie or win because of the run limit rule per inning.

NOTE: It is the intent of BAYB to have the umpires stay for the required number of innings and/or full time limit in order to allow the recreational players to get as much playing time as possible. Judgment should be used by the manager, coaches, & umpires to not allow the games to run beyond their scheduled game time.

(B) In case of early termination because of adverse weather, the losing team must have completed three (3) times at bat to be an official game for all leagues. League games terminated early because of adverse weather conditions that have not become Official, shall be rescheduled, and played from the point of suspension.

(C) Both coaches desire to terminate game upon game becoming an official and/or legally completed game.

(D) A game is legally completed when the last required inning is played, or the losing team cannot tie or win because of the run limit rule (recreational league) or the run rule has been reached in the open league.

(6) Ties at end of Regulation Game

Games may end in a tie and will be recorded in the statistics as a tie. If needed, to determine a final place for trophies when two teams are tied, the tie breaker shall be head-to-head, runs allowed, runs scored. If more than two teams are tied, then the tie breaker shall be runs allowed, and then runs scored. In either case, if all efforts end in a tie, the determination shall be made by the Age Coordinator for that age group, with approval from the board.

(7) Pitching

BAYB does not have pitching limitations for recreational league. BAYB does use the USSSA Pitching Rules for tournament play only. NOTE: Regardless of innings pitched, BAYB recommends that managers, parents, and coaches limit a pitcher's weekly game pitches (not including warmups) to that recommended by USSSA Baseball. Refer to chart below.

| Age | Pitches per game | Pitches per week |
|-------|------------------|------------------|
| 9-10 | 50 | 75 |
| 11-12 | 75 | 100 |
| 13-14 | 75 | 125 |

(8) Protesting Games

(A) No protest shall ever be permitted on judgment decisions of the umpire.

(B) Protests shall not be accepted unless umpires are notified at the time the play under protest occurs and before the next pitch is made or a runner is retired. Umpires shall have appropriate place of protest noted in scorebook.

(C) Any acceptable protest that a manager desires to make must be made in writing to the Age Coordinator or the BAYB President within 18 hours, or by NOON of the day following occurrence and accompanied with a **\$100.00 cash deposit**. If protesting, you must notify the umpire immediately (upon violation and prior to next official pitch) so that the protest can be recorded in the official scorebook. If the protest is upheld the deposit will be refunded. Otherwise, the money will go into the general fund of BAYB.

PENALTY: The Board of Directors Protest Committee will determine the penalty on upheld protests.

(D) Appeals of Protest Committee rulings will be filed and accompanied by an additional \$100 deposit to be heard by the entire BAYB Board. If the appeal overturns ruling, deposit will be refunded. Otherwise, the money will go into the general fund of BAYB.

(C) Any player in a crouched position warming up the pitcher on or off the playing field shall wear a face mask with appropriate throat protection.

(D) The catcher for ages 5U-18U is REQUIRED to wear all appropriate protective gear including a catcher's helmet with facemask and either a built-in extended throat guard or a separately attached throat guard, chest protector, shin and / or leg guards. (11) Bat Throwing

The first instance of bat throwing will be a warning to that team. The next instance may require the batter to be called out, dead ball, and all runners to return to the last base occupied before the occurrence. If, in the judgment of the umpire, the act was intentional, flagrant, or considered unsportsmanlike, said batter should be called out and ejected from the game. NOTE: This is a judgment call and cannot be argued or protested.

(12) Footballing Prohibited

Footballing is prohibited. Any player who in the umpire's judgment intentionally runs into a fielder or the catcher to dislodge the ball is automatically out. A flagrant violation by a player may cause said player to be ejected from that game and the following game. If the umpire judges that there is an act of malicious contact, or conduct, he shall immediately call "time", call the runner out, and then eject him. Ejected players would be ineligible for the following BAYB game. All runners would return to the bases occupied at the time of the infraction unless they scored or were put out before the infraction was called. If in the umpire's judgment the malicious contact was the cause of the defensive player, the same ejection rule will apply. The act of malicious contact supersedes the Obstruction Rule (see 7.06 of Official Rules).

(13) Courtesy Runner Rule

At any time, the offensive team may use a courtesy runner for the pitcher and catcher of record the previous inning on defense. The courtesy runner must be a player not presently in the line-up. If no players not presently in the line-up are available, the courtesy runner shall be the player making the last batted out. The re-entry status of the courtesy runner, pitcher, and catcher shall not be affected by this rule. If at any time, a courtesy runner is determined to be ineligible, a proper replacement pursuant to the rules (if available) will be used without penalty.

(14) On Deck Batter

The on-deck batter will always be in the on-deck circle behind the batter. NOTE: There shall be no on deck batter in age groups 8-year-old and under Recreational. EXAMPLE: Visiting team is occupying the 1st base dugout. While his team is at bat, the on-deck batter will always use the on-deck circle on the 3rd base side when the batter is right-handed. The 1st base side circle will be used when the batter is left-handed. This is to be used in all age groups during all games in BAYB. (Tournaments included)

(15) Starting Pitcher

If a pitcher (starter or relief) vacates the pitching position (is replaced by another pitcher) they may not return to the mound in that game.

(16) Ball

(19) Automatic Out

A game may be started and played with eight (8) players on a side. The last batting spot shall then be an automatic out. **Leagues which require ten (10) players; when only eight (8) players are present, only the last position shall be an automatic out, not two (2) outs.** NOTE: No automatic out will be accessed in ten (10) player leagues for fielding nine (9) players.

(20) Team Sponsors

Any team may have sponsors. Sponsor's name and/or logos may not be on uniforms (or otherwise displayed) unless approved by the board of directors.

(21) Players shall wear shirts with sleeves during games. Tank tops and vests without sleeved undershirts are prohibited. Players will not participate until uniformed appropriately.

(22) Player ejections: See Rules for Managers and Coaches (2).

(23) Boys and Girls may play in all age groups.

(24) Major Leagues rules inherent to the Major League game are not enforced. This includes rules such as home team security, not mingling with fans, no advertising on uniforms, requiring dozens of baseballs, bases coaches must be in uniform, etc. The homerun minimum distance traveled [rule 6.09(d)&(h)] is also not enforced.

(25) Protection from infectious diseases

Any player who is bleeding, has an open wound, or has blood on his uniform, clothing, or body may not practice or participate further in a game until appropriate treatment has been administered; secretions on the body are covered or removed; lesions or wounds are covered. If the umpire considers the above can be done in a reasonable amount of time, the individual does not have to leave the game.

(26) Use of players not officially registered in BAYB (not on team roster) will result in a game forfeiture for every game in which the ineligible player has played. A three-game suspension of the coach will be imposed on the team's next league games.

(27) If present and operable, Doors to dugout are to be kept shut during play. If open and a ball hits it in live play this is ruled as obstruction or interference depending on the team's side at the time (offense or defense). Applicable penalties apply.

(28) Summer and Fall League rules take precedence over applicable rules herein during those seasons.

Rules for Recreational Division

(1) Teams

(A) **Coaches:** A team shall have no more than (4) Four coaches with their relatives (if any) on his/her team.

(B) If a manager leaves a team, a signed coach may retain player protection rights the following season. If the manager and both coaches leave, a parent from that team may retain the returning team protection rights with Board approval. Note: the new manager shall use rule 1C to protect new coaches' relatives not previously on the team.

(C) Returning teams may protect two (2) additional players each year, see rule (2E. Protecting a player under this rule must be done in writing, with the parent's signature. Both protected players may be any registered player.

(D) Team protected player lists are to be turned into BAYB by the date specified by BAYB.

(E) BAYB will accept recreational teams from other leagues or previous BAYB players/coaches that have combined to form a team, to register without being considered a new team with Board approval.

(2) Player Pool and Team Placement

(A) BAYB will maintain the player pool list and conduct a draft with the coaches to assign players from the Player pool to teams to assure an equitable number of players per team.

(B) **PLAYER POOL:** All non-protected players and players requesting to be placed in the draft pool.

(C) Any player who does not register prior to the last day of registration as specified by BAYB may not be placed on a team. Solely at its discretion BAYB may maintain the player pool open until enough players register to make a new team.

Exceptions:

(A) The Board may allow late registrations for the purpose of allowing a more equitable number of players.

(B) Players are not to change teams after assigned at the coaches meeting. BAYB may allow players to change teams with board approval only.

(C) The number of players per team shall be no more than 12, unless specifically approved by BAYB.

(3) Player Participation & Eligibility

(A) During regular season play, **each player must start every other game (in which they are eligible) in a defensive position and must play defense every other inning for 3 consecutive outs or maximum runs allowed, unless due to injury or disciplinary reasons explained to the player and player parents.** Protest of a player participation or an illegal player may be made at any time during the season with proof from the official scoreboard.

PENALTY: Forfeiture of game in which violation occurred.

(B) No recreational player may play in any other organized baseball program during the preseason and regular season. Tournaments outside BAYB REC are excluded provided the player has written permission from his manager.

NOTE: A player is legal until he plays or participates in another program at which time the player would then become illegal. Further, if a player becomes ineligible as discussed above, said player would also become ineligible for Open play in BAYB.

EXAMPLE A: If a player is signed up and participates in BAYB Regular Season games, then is proven to also have participated in another league during the same period, said player is ineligible in BAYB.

PENALTY: Upon protest, forfeiture of all BAYB games in which said player participated during the overlap period.

EXAMPLE B: If a player begins play in another league and leaves that team to sign up in BAYB before the player pool or draft, he/she is considered a legal player. Should said player return to play with the original team, that player would then become ineligible in BAYB.

INTENT OF RULE: To keep players, managers, and parents from having to decide of which league they will play for during a conflict and penalizing the other team.

(C) Without approval from the Board, no player may participate in a league that is greater than one year older than the player's current age group. All BAYB players are required to provide BAYB with a copy of the player Birth Certificate by the end of registration.

EXAMPLE: A player who is 10 as of April 30th may play in the 11-year-old league but may not play in the 12-year-old league, without board approval.

Ball caps and shirts furnished by BAYB shall be worn during the games. Individual players' and sponsor's names are allowed above the number of the back of the shirts. A baseball pant must be worn. Pitchers may be allowed to wear a pull over target jersey of a different color while playing defense. This will allow both players and coaches to distinguish the pitcher from other defensive players.

(3) Coach Position

Two defensive coaches are permitted on the field for instructional purposes. Coaches are not permitted to touch a live ball; however, they need to instruct players on the proper play to make. Offensive coaches are permitted in the coaching boxes and at home plate for instructional purposes and are not permitted to assist offensive players.

(4) Playing Field

The distance between bases shall be sixty (60) feet. Double bases shall be used at first base with the infielder using the inside or field side of the bag and the runner using the outside or foul side of the bag on plays at first base. Misuse of the double base can be cause for the umpire to call interference or obstruction as the case deems. There will be a twenty (20) foot line drawn between 1st and 2nd base, 2nd and 3rd base, and 3rd base and home plate in the base path. If the runner has one foot beyond the line (in the direction of the next base) and the pitcher stops play, the runner is awarded the next base. If the runner has not passed this line, they are to retreat to the previous base. The pitcher's circle is ten (10) feet in diameter forty-six (46) feet from the back of home plate to the center of the pitcher's circle. The pitcher must have both feet in this circle until the ball is hit.

(5) Ball

Games will be played in a very relaxed manner to provide every opportunity for the player to learn the fundamentals of baseball in an enjoyable environment. This is an instructional league. NO official score will be kept. NO official league standings will be kept. NO tournaments shall be held except for a possible post-season tournament. Teams will consist of eleven (11) to twelve (12) participants. Each team will bat through the lineup (amount of players eligible for that game) in each inning. Upon completion of batting the line-up, the bases will be cleared and sides will change. It is up to the discretion of the coaches if a runner will be removed from the base path once an out is recorded (remember this is an instructional league). Games shall last no longer than 1 hour or until five (5) innings have been completed whichever comes first. Participation awards will be awarded to all players. The number of games may vary depending on the number of teams in the league

(7) Stoppage of Play

Play will be stopped by the defensive team stopping the lead runner or by the pitcher being in the confines of the infield and holding the ball above their head. As long as the play is not stopped, any runners may advance at their own risk. Any play made on any runner other than the lead runner will release the lead runner. Other runners may continue until the umpire determines that play has stopped by the defensive team and calls time.

(8) Ball in Play

When all defensive players are in position and ready the offensive coach at the plate removes the Tee to a safe location and the catcher moves into position. The batter will have three (3) swings to hit the ball. Players may continue to bat as long as they legally foul the ball regardless of number of swings. The ball is foul if it travels less than twenty (20) feet from home plate. An arch will be marked on the field defining this area. The ball is also foul if the batter hits the Tee with the bat causing the ball to fall from the Tee.

(9) Defensive Players

The defensive team will consist of the entire team eligible for play during the game with no more than six (6) players in the infield. The team must have at least eight (8) players to start a game and players shall be added, as they become available. Catchers must be in full catchers gear. If full gear cannot be obtained, catchers may begin each play in the dugout and only enter the field after the ball is hit.

(10) Practices No more than two (2) a week.

(11) Tee The tee cannot aid the batter in any way except to hold the ball. As examples the tee cannot have attachments which allow the bat to slide along a rail or contain visual swing aids. The Tee is to be placed directly over home plate and not moved in the batter's box to aid in ball placement during batting attempts.

(5) All Play Will Stop

(A) Play will be stopped by the defensive team stopping the lead runner. If play is not stopped, any runners may advance at their own risk. Any play made on any runner other than the lead runner will release the lead runner. Other runners may continue until the umpire determines that play has been stopped by the defensive team and calls time. If a secondary runner is attempting to advance (well off base and moving in the direction of the next base) and the umpire stops play, the runner is awarded the next base. If the runner is not attempting to advance, they are to retreat to the previous base. This is a judgment call by the umpire and may not be appealed or protested.

NOTE: If in the umpire's judgment the lead runner is stopped (not attempting to advance by being off base moving toward the next base) and the ball is in the possession of an infielder play may be stopped.

(B) When a fly ball is caught, time will be called when base runners return safely to their base of origin and are not attempting to advance.

EXAMPLE: Runners on 1st and third. Third baseman catches fly ball and holds lead runner (makes no play on runner at first). Runner that was at first base is between 1st and second and retreating toward 1st (did not tag up) before play would normally be stopped. Runner shall return to first base and the batter is out.

NOTE: Clarification of caught fly ball does not affect the play on a runner that has legally tagged up and started for the next base.

(6) The batter shall receive a maximum of six (6) overhand pitches or three (3) swinging strikes. (The bat is extended if the last pitch is hit foul)

(7) Pitcher/Coach Position

The pitcher/coach shall position himself along a line between home plate and second base. Maximum distance to be forty-six (46) feet with a minimum of forty (40) feet. Pitcher/coach must be standing in an upright position and always deliver an overhand throw to every batter. Pitcher/Coach must also leave fair territory after ball is hit in the direction of the least obstruction for the defensive field of play. Failure to do so may result in the batter being called out.

(A) Defensive pitcher must not play closer to batter than pitcher/coach.

EXAMPLE: If pitcher/coach elects to pitch from 40' to front edge of 10' diameter circle, defensive pitcher must remain in circle until ball is in play.

PENALTY: No pitch is declared, ball is dead.

(B) The manager may let a certified coach or a team parent pitch (only if the parent maintains all certifications required of a coach and is wearing the certification card.

(C) If a batted ball hits the pitcher/coach or they catch the ball, the ball is dead and does not count as a pitch. EXCEPTION: If the pitcher/coach intentionally interferes with any hit ball, the batter is out and the ball is dead.

(8) Coaching the Fielders

Fielders may be coached from the dugout area only. Defense consists of 10 players with no more than six (including the catcher) players in the infield. See Managers and Coaches Requirements Rule 17. Exception: If a coach is positioned behind the catcher to help retrieve missed pitches he shall not give directions to his team.

PENALTY: Violation of this rule is considered unsportsmanlike conduct and violator is subject to ejection from game.

(9) Coaching the Baserunners

Baserunners may be coached from the dugout and base coach box only. Pitcher/coach may not talk to the base-runners until pitcher/coach leaves fair territory. Pitcher/coach may only talk to the batter before each pitch is to be made. PENALTY: Runner is out.

(10) Base Stealing Base Stealing Not Allowed. A base runner may NOT leave the base until the ball is hit. PENALTY: Runner is out.

(11) Missed Bases

If a runner misses a base, the runner is to be called out after the ball is dead. Runner that misses home plate and leaves the field of play before the ball is dead will be out.

EXCEPTION: A runner attempting to touch a missed base shall not be out when the ball becomes dead unless he has touched the succeeding base.
